Low-Noise Operation Ensures a Serene Environment

The low-noise operation is especially beneficial in dining areas. It allows for a calm and enjoyable atmosphere. The quiet operation also makes it suitable for indoor use. This air curtain helps maintain a calming environment. Noise levels are similar to those in hygienic settings.

Versatile Two-Speed Settings for All Seasons

The indoor air curtain has two speed settings. Low speed is for energy efficiency and minimal noise. High speed offers robust isolation. Use low speed for savings and peace. Utilize high speed for strong air protection. This versatility makes it suitable for all seasons. Keep cool in summer and protected from cold in winter. With easy speed switching, you can always have the right setting. It adds convenience and control to your air management. Enjoy personalized air control at two speeds.

Easy Installation with Magnetic Door Switches

Installation is easy with magnetic door switches. The air curtain for doors accommodates sliding and swinging doors. It integrates seamlessly into your door frame. This hassle-free installation saves time and effort. These magnetic switches ensure a secure fit. This feature facilitates simple use and maintenance. Enjoy a hygienic and trouble-free installation process. Easy installation makes it perfect for busy settings. Get your wall mounted air curtain up and running quickly and efficiently.

Corrosion-Resistant Metal Shell for Long-Lasting Durability

It's resistant to corrosion and rust. It ensures long-lasting durability. The airflow outlet is also corrosion-resistant. Also, the large-diameter fan wheel operates quietly. The pure copper motor provides reliable performance. This design guarantees a long service life. It can withstand wear and tear. Corrosion-resistant features are ideal for high-traffic areas. Enjoy an enduring and efficient air curtain. Maintain a fresh environment with ease.

Ideal for Keeping Mosquitoes and Other Pests at Bay

It keeps mosquitoes and pests out. You can leave your doors open without worrying about mosquito-borne areas. Enjoy a pest-free environment. This feature is perfect for areas with high mosquito activity. It ensures a comfortable, clean space. The powerful airflow acts as if there's no need to worry about pest problems. Both commercial and residential settings use the air curtain effectively against insects. Maintain insect-free zones with this air curtain. Get rid of bugs easily. Experience fewer mosquito problems.

Suitable for Indoor Use in Both Residential and Commercial Settings

The low noise and powerful airflow make it versatile. Use it in homes, restaurants, or offices. It adapts to different spaces and needs. The air curtain ensures fresh air and a pleasant atmosphere. Enjoy a dependable and efficient air management system. Make your indoor areas more comfortable and enjoyable.
