| 51 - MtiOHig Cordless Heat Gun for Dewalt 20v Battery, MtiOHig 122°F-1022°F Adjustable Temperature Portable Battery Heat Shrink Gun with 5pcs Nozzles for Shrink Wrap, Wire Connectors, Electronics, Resin(No Battery) | 1   | 17.00      | 2.38    | 0.00 | 1.40 | 20.78 |

MSRP: \$59.99

- COMPATIBLE WITH DEWALT BATTERY - This battery heat gun cordless is designed to be compatible with a variety of DeWALT 20V/18V lithium-ion batteries, including models such as DCB200, DCB201, DCB203, DCB204, DCB205, DCB206, and others. With this heat tool, users can work without the need for cords or outlets, allowing for greater flexibility in tight spaces, job sites, and outdoor environments.
- FAST HEATING & ADJUSTABLE TEMPERATURE - The heat gun' features a high-quality ceramic heating core, enabling it to heat up in just 3 seconds. It also offers two adjustable temperature settings, ranging from 300-550 °C for high and 50-300 °C for low. The air volume is 7CFM. Making it an adaptable tool that can easily cater to various work scenarios.
- EASY TO USE - This portable heat gun cordless is designed for ease of use with honeycomb heat focus technology for fast heating, high temperatures and long run times. Additionally, it supports high and low temperature adjustment, and with this user-friendly design, you can easily and quickly reach the desired temperature, making it an efficient tool for your needs.
- SAFETY DESIGN AND QUALITY MATERIALS - This vinyl heat gun features a safety-focused design, with a rubberized body providing excellent insulation properties and a high-quality Stainless steel nozzle ensuring efficient heat transfer. The temperature lock button offers enhanced convenience and flexibility during usage. Furthermore, a low voltage protection plate is integrated to prevent overheating, ensuring the safety of your battery from potential damage.
- WIDE APPLICATIONS - This heat gun cordless is perfect as a replacement for your regular roped heat gun and can also complement your tool kit bag or tool box. This portable heat gun cordless is compatible with dewalt 20v battery, and its portability also allows you to work at high altitudes or without power. For example, it can be for shrink wrap, carfts or epoxy resin, vinyl wrap, car warping, wire connectors, candle making, electronics repair etc.
