MSRP: \$42.99

- CLASSIC & SAFETY DESIGN: Our shade blind features a crisp & modern look equipped with metal chain and aluminum bottom rod. To ensure safety to your family, we provide a safety device to attach the chain to the wall and all the relevant safety instructions.
- MULTIPLE FUNCTIONS: Our office roller shade blocks out 100% sunlight and UV rays. The thermal insulated backing can reduce room heat and cold loss through window during winter and summer, helping cut your energy bills. It also works well in noise reducing and privacy protection. Great for bedroom, living room, bathroom, kitchen, French door and office.
- MEASUREMENT: The fabric width is 1" narrower than the total roller width, due to the brackets at the both ends. For inside mount, window frame should have at least 2" depth, and blackout roller shades will have a tiny light gap on each side. To avoid light gap, consider the outside mount. For outside mount, shade should be 4" - 6" wider than window frame, shade length should be at least 2" longer than the window length for better coverage.

| <ul style="list-style-type: none"> 【Best After Surgery Pillow】 Unique hole design of the prone pillow helps patients maintain a face-down position, which is crucial for proper healing after eye surgery. This position facilitates postoperative recovery from a variety of procedures, including vitrectomy, macular holes and retinal detachment or BBL surgery. 【Avoidance of Wound Contact】 The precisely contoured support of the eye pillow ensures that your face rests comfortably in the designated area, preventing any inadvertent contact with the surgical wound or sensitive eye region. This feature is essential for reducing the risk of complications during the critical healing phase. 【Support and Comfort】 Say goodbye to discomfort and pressure points. HOMCA contoured pillow provides ample support for the head, shoulders, and chest, keeping the spine aligned and reducing the neck and lower back pain of sleeping on your stomach. At the same time, the airflow gap can be adjusted at the bottom to ensure smooth breathing. 【Multipurpose Pillow】 This versatile surgery pillow can also be used as a massage pillow, or any other scenario where you need to face down, such as Physiotherapy, Chiropractic treatments, quick naps at your office desk or stomach sleep at night. 【Shredded Memory Foam Fill】 Our CertiPUR-US certified memory foam pieces are filled in a velvet pillowcase for softness and support. The dustproof inner cover effectively extends the service life of the pillow core, while the hidden zip makes it easy to clean the pillowcase.
